

THE NEW YORK BOTANICAL GARDEN

Field Study: Botanic & Aesthetic Composition of Native Plant Communities

Sunday, October 11 – Thursday, October 15, 9 am – 5 pm, Black Rock Forest Consortium

Accommodations:

Lodging for four nights costs \$160 (tax included). To reserve a room at the Forest Lodge, call Jack Caldwell at 845-534-4517 and mention that you are taking this NYBG workshop with Darrel Morrison.

Black Rock Forest Consortium is 3 miles from the town of Cornwall. In town, there are several places to eat; among them are a supermarket, pizzeria, a Subway, and a few restaurants. Most of them deliver, including the supermarket [DeCicco Family Market](http://www.deciccofamilymarket.com) (845.634.4544) which also has prepared meals.

For more information about Black Rock Forest visit: <http://blackrockforest.org/>

Materials to bring:

- Notebook
- Sketch book, and pencils/pens for sketching
- Watercolor paper and inexpensive watercolor set (optional for those who want to do watercolor interpretations of the selected study sites).

Recommended texts:

- Gargiullo, Margaret B., *A Guide to Native Plants of the New York City Region*. Rutgers University Press, 2010.
- Leopold, Donald J., *Native Plants of the Northeast: A Guide for Gardening & Conservation*. Timber Press, 2005.
- Or other field guides to northeastern vegetation you may already have.
