

# New York Botanical Garden

*Course:*                   **GRAPHICS II**

*Course Number:*       **LAN 411**

*Instructor's Name:*     William Einhorn (ldawinc@aol.com)

## Graphics 2 Supplies:

In addition to your Graphics I (LAN 311) tools, we are going to need some additional supplies for G2. You should bring your drafting tools to the first class as we will be drawing during the first session. **You need not purchase or bring any of the additional items to the first session.** I will go over the list in depth during the first session and you would not need any of the new materials until the second session. If you want to purchase items in advance it is up to you. If you have any questions on the list please email me. I have set up a page on Dickblick.com, go to the site, navigate to registries and lists, Click on Blick U, and navigate to the Graphics 2 page. I have also set up a web page at [www.Carpediemstore.com](http://www.Carpediemstore.com) Go onto the site, navigate to the area that says "Drafting kits and Various sets", click on that icon and you will see the area for the NYBG. There are items on that page that you do not have to have so check your list before you purchase. Not all of the items on your list are available at this one site.

## Graphics 2 Materials List

- A set of "sketch pens". There are several types and brands out there. Some brands called them Micron pens or pigment liners. You should get a kit with at least with 4 line widths of .1mm,.3mm,.5mm.7mm, there are many choices in brands and sets. You can go on Carpediemstore.com, they have a Staedtler - Mars set of 6 or 7 markers catalog numbers 1736673,17366626 which will cost between \$7.00- \$10.00. Other good art supply websites are DickBlick.com, MisterArt.com, Pearl paint.com... or you can get them at Staples...
- 1 Soft sketch pencil such as Eagle 314 draughting pencil, Ebony sketch pencil, or 2B pencil...
- Sandpaper block
- Berol White Color Pencil
- "Decocolor" white opaque paint marker, fine tip point, you can get at Staples or on line.
- Prismacolor "Nupastel" 27048 Hard Pastel kit or "Alphacolor" set of 12 with a minimum of 12 Colors, make sure to get greens, blues, etc.
- Colored pencils are optional. Berol makes some nice pencil sets that match the marker colors.
- Basic wood yard stick is optional yet encouraged.
- Seth Cole Heavy Sketch Tracing Roll, 16 lb. 58-18-50 (Carpediemstore.com) (Optional) or DEW Drafting supplies <http://www.draftingsuppliesdew.com/seth-cole-58-tracing-paper>

We will be using markers in the fourth and fifth session as well as for your final project.  
You do not need them until the fourth class. Buy start buying them now!!!!
